TO OUR FRIENDS AND PATRONS:—

In presenting this, our thirteenth annual price list, we desire to thank all our customers who have so liberally patronized our nurseries. In the future as well as in the present, it will be our aim to be worthy of their confidence and esteem. Our nurseries are located in the beautiful Grande Ronde Valley, which is situated in the eastern part of the state of Oregon, in Union county, at an altitude of 2790 feet. Owing to our soil and climate, can assure you our stock will be well rooted, hardy and thrifty.

Certificate of Health—Our grounds are annually inspected by a member of the State Board of Horticulture and a certificate of such inspection accompanies each shipment.

Genuineness—We take great care to have our trees true to name, cutting all our scions and buds from bearing trees ourselves and not trusting to hired men. But if any should prove untrue we will replace the same or refund the amount paid. It is mutually understood and agreed to between the purchaser and ourselves that our guarantee of genuineness shall in no case make us liable for any sum greater than that originally received for said trees, etc., that prove untrue.

To all our patrons and friends we extend a hearty welcome to visit us whenever at leisure, when we will be glad to show you our stock. No business transacted on Saturday.

Yours truly,

J. B. WEAVER.
